

STRONG BONDING SOLUTIONS

Tapespec ATG Transfer Tapes

Introducing the Tapespec range of high performance ATG Transfer tapes designed to fit most common ATG Dispenser Guns.

These Transfer tapes are reverse wound on a release liner which is rewind up in the dispenser gun allowing for fast, controlled tape application.

The Transfer Acrylic adhesives provide high shear & bond strength enabling them to adhere to most substrates such as papers, metals, most plastics, sealed wood, foil, foam and glass.

Also designed to be long life with good resistance to solvents, temperature & UV light.

Key Features & Benefits:

- Quick, easy to use with no mess or clean up.
- The portable dispenser gun allows for a targeted application of the adhesive to where it is required.
- The adhesives are acid free, PH neutral & transparent.
- Designed to replace staples, screws, pins, liquid adhesives & safer to use than hot melt adhesive.
- ISO certified manufacturer & REACH compliant.

Used By:

- Printing companies for brochure assembly & poster mounting.
- Advertising, PR & promotional companies.
- Point of sales & swatch assembly companies.
- General office & warehouses.
- Universities & by schools.
- By artists, picture framers & scrapbooks.
- At home.

0758 High Tack ATG Transfer Tape

Extra initial adhesion to difficult surfaces & very good shear strength, designed for medium weight securing & bonding applications.

Adhesive thickness: 0.11 mm

Typical Applications:

- Difficult surface bonding, such as glossy laminated brochures & catalogues.
- Attachment of fabric swatches in sample displays.
- Mounting various promotional items such as posters & photos.
- For medium duty point of display assembly work.
- Mounting picture frame boards
- Bonding of foam products to various surfaces.
- For paper core starting & paper slicing.

Roll Sizes:

| | |
|---------------------|--------------------|
| 6 mm x 16.5 meters | 24 Rolls/Inner Box |
| 12 mm x 16.5 meters | 12 Rolls/Inner Box |
| 19 mm x 16.5 meters | 8 Rolls/Inner Box |

0756 General Purpose ATG Transfer Tape

Good initial adhesion & shear strength for application to various lightweight surfaces.

Adhesive thickness: 0.05 mm

Typical Applications:

- Excellent adhesion to most papers & card materials.
- Designed for lightweight mounting of posters, photos & promotional material.
- Mounting of artwork, pictures & for general sample swatch attachment.
- Great for scrapbooking, craftwork, DIY and school project work.

Roll Sizes:

| | |
|-------------------|--------------------|
| 12 mm x 33 meters | 12 Rolls/Inner Box |
| 19 mm x 33 meters | 8 Rolls/Inner Box |
